THE UNSEEN

the Phenomenon and the Science

Producer: Gerhard F. Klugl,
Executive Producer André Nitzschke, Julian Mende
Writer & Director André Nitzschke

Camera: Julian Mende, Volker Langhoff

A film about the vision of a new, innovative form of medicine;
a film featuring Gerhard F. Klugl—a leading European proponent
of subtle-energy surgery—and a film about a unique collaboration
with medical professionals across Europe.

A plea for the need to bring alternative healing methods and
conventional medicine together.
